Verse 2

It's the time that you totally screwed up
 Still you're trying get it out your brain
 It's the fight you had when you didn't make up
 It's the past that you're dying to change
 It's all the money the you're saving
 While the good life passes by
 It's all the dreams that never came true
 'cause you're too damn scared to try

[Chorus]

Hit the lights, let the music move you
 Lose yourself tonight, come alive
 Let the moment take you, lose control tonight
 Hit the lights, let the music move you
 Lose yourself tonight, come alive
 Let the moment take you, lose control tonight

[Bridge]

It's a mad mad world, gotta make an escape
 It's a perfect world, when you go all the way
 Hit the lights, let the music move you
 Lose yourself tonight
 So let's go go go go
 All the way, yeah let's go go go
 Night and day, from the floor to the rafters
 People raise your glasses
 We could dance forever

[Chorus]

Hit the lights, let the music move you
 Lose yourself tonight, come alive
 Let the moment take you, lose control tonight
 Hit the lights, let the music move you
 Lose yourself tonight, come alive
 Let the moment take you, lose control tonight
